

Project Child Find

The Special Services Department of the East Hanover Township Schools, in compliance with Project Child Find, conducts evaluations, if warranted, for those children/students who may have learning problems in the areas of cognition, communication, social/emotional and motor functioning. The evaluations are available to preschool children aged 3-5, to school aged children 6-14, to highly mobile students such as migrant and homeless students, and to students who may have a disability although they are advancing from grade to grade.

Children/ students who are found eligible for special education and related services are entitled to a free and appropriate special education program.
